THE MAN THAT PAID HIS BUTCHER

was the man that steered clear of all
doctor's bills. Diet cures more than
physic, and good meat is the back-
bone and sinew of a good dinner.
Such quality of meats as we keep for
our patrons to select from, fresh,
tender, prime and juicy, is the kind
that sticks to your ribs and makes
pure, rich blood.

CLEAN Front street.

As a prominent citizen remarked a day or two ago it is the dirtiest main street of a city he ever saw.

JOHN LIND got a verdict of \$600 against the St. Paul Dispatch. That's a pretty large sum to value the character of most Politicians at.

ANNUAL school meetings, commencing in 1898, will be held the last of June, instead of July, a law to that effect having been passed by the legislature.

Town supervisors are barred from holding the position of road overseers or road supervisors, the legislature in its wisdom having seen fit to place the law on the statute books.

Under provisions made by the legislature just adjourned, a gross earnings tax has been placed on telephone companies, sleeping cars, private freight car companies, and express companies.

One day, according to the Minneapolis Times, Jim Hill has a grip on the N. P. and the next day he hasn't. If Jim would only go in and see the Times, it might come to some definite conclusion on the subject.

The railroads of the country have not been wrecked, notwithstanding the supreme court declared their pooling association illegal. The explosion of trusts hurts no legitimate business and helps the people.

WHEAT is again ranging close up to 80 cents, but silver declines to rise. That was a nice little story of the free silverites, that the price of silver regulated the price of wheat, but a little experience soon exploded it.

GREYS and Turkey are now in the throes of actual war. The sympathy and admiration of the civilized world is with Greece in her unequal struggle for the benefit of Christendom, even if the politicians look on indifferently.

KENTUCKY went Republican last year, but the Republicans there are in about the same fix the Democrats are when they get in the national government. They are in opposition so much that when they get in power they are unable to do anything.

For the information of those bicycle riders who think they are "the whole thing" when riding on the sidewalk, we wish to state there is an ordinance against riding on sidewalks at all, and if they get too gay they will find themselves excluded from the sidewalks altogether.

The Minneapolis Times on Monday, in a column editorial, arrived at the conclusion that everyone in this world, except the Times editor, was insane. This state of mind clearly indicates that the fourth issue of the year should be built, and in close proximity to the Times office.

Tax legislation has adjourned. It gave us a great deal of new legislation, the usefulness of which the future alone will disclose. It was an economical one, the appropriation of money being considerably less than its two predecessors, and a great deal less than the expensive dem-pop legislation of a few years ago.

"The Recuperative Forces of Spring" is an article in the Sanitarian department of Demorest's Magazine for May that every one should read. It gives plain, common sense reasons why certain articles of food are beneficial in spring and why others are not; and if we start right in the spring we are pretty sure to keep right all summer.

Quite True, Bro. Dore.

When the next legislature convenes the Sixth district will be in a position to demand its rights, instead of having to plead for them, as it has had to do on this and past legislatures. The gain of six senators and five representatives is an advantage that will be a very important factor when it comes to another re-apportionment, and when that time comes we predict that there will be a more equitable distribution of representation than ever under this, which was in the nature of a compromise by which the northern part of the state got a part of what it is entitled to rather than its full quota. When the time comes to re-apportion the state again, the selfish southern part of the state will be compelled to submit to a reduction of a portion of its representation which it now holds by main force.—Elk River Star-News.

O'Connell, of Sauk Centre among the incorporators. The first factory will be located at Hastings. Henry Keller is to be secretary and treasurer. Backing to the amount of \$1,000,000 is promised.—Sauk Rapids Sentinel.

IN A PUNT.

One evening, when I had returned all alone and very weary, painfully pulling my heavy boat, which I used every night, I passed a few seconds to take breath near the edge of some reeds. The weather was glorious, the moon was radiant, the river sparkled, the air was cool and sweet. This tranquility tempted me, and I thought it would be very pleasant to smoke my pipe in this place. The action followed the thought. I seized my anchor and cast it into the river. The punt, which floated with the current, drifted as far as the end of its chain, and then stood still. I seated myself in the stern

The tenth annual ball of the A. O.
H. at Gardner Hall on Monday even-
ing was a great success, the attend-
ance being very large, and all present
report a very enjoyable time.

On Tuesday evening a barn at the
logging camp of J. M. Gray, at the
south end of Mill Lake was de-
stroyed by fire, together with four
horses and five sets of harness, all the
property of Mr. Gray.

At St. Paul's church the first Sun-
day after Easter there will be services
at 10:30 a. m. and 7:30 p. m. Sunday
school at 12 o'clock. The choir, un-
der the direction of Mrs. Atherton,
will repeat a portion of the Easter
day music.

The production of Faust at the
opera house on Tuesday evening by
the John Griffith company was superb,
Mr. Griffith appearing as Mephisto.
The play was well mounted, the cost-
uming was fine, and the electrical
effects beautiful. The attendance
was small.

A change of time of morning trains
will occur on the N. P. next Sunday.
No. 1 will leave St. Paul at 4:15 in-
stead of 7 o'clock as at present, and
the train from Duluth will change so
as to connect at Staples with No. 1.
This would bring the Duluth train in
here at about 8 p. m. instead of 10:30.

The saloon of Ed. Cullen, in East
Brainerd, was broken into on Sunday
night last, and goods to the amount
of nearly \$100 was stolen. The burglars
effected an entrance by breaking in
the front door. No money was left in
the building for them to steal, but the
merchants took as near as Mr. Cullen
can estimate about \$50 worth of cigars
and a large quantity of bottled goods,
as much as they could carry. As there
is no police protection in that part of
the city the thieves pursued their
calling at will, and had they had a
team they could have emptied the
store without being stopped. It
would seem that the East Brainerd
people are entitled to an officer at
night.

Fancy flower seeds of every variety
at Atwood's. Give him a call.

Fresh butter, the very best at Bane
& Bane's meat market, only 16 cents
per pound.

While playing with some other
children this morning a little girl,
daughter of J. W. Anderson, the
Southeast Brainerd grocer, fell and
broke her arm.

Clerk of Court S. H. Parker was
passing the cigars this morning on the
arrival of a fine girl baby at his home
this Friday morning, April 23rd.
Mrs. Parker and the baby are both
reported doing nicely.

Hon. B. F. Hartshorn, representa-
tive from this district, has decided to
locate at Walker, the coming county
seat of Cass. The people of Walker
are to be congratulated upon the ac-
quisition to their social and business
circles of Mr. and Mrs. Hartshorn.

The seventeen year old son of Mrs.
Harry St. Clair, a widow lady, who
resides on 5th street near Maple
street, has been missing since last
Sunday. It is feared that the young
man has been drowned in the river.
Mr. St. Clair accidentally killed him-
self last fall, and this second bereave-
ment has nearly crazed the lady.

The Fashion Department in Dem-
onstration Magazine for May occupies
nearly twice the usual space, and
abounds with practical information
and the very latest ideas on all topics
relating to woman's and children's
dress. A Pattern Order published in
each number entitles the holder to
patterns of all the designs at the uni-
form price of four cents each, and this
is an advantage that the frugal woman
cannot afford to overlook.

Brainerd Chapter No. 42, will con-
fer the Royal Arch degree to-morrow
night at Masonic Hall on three candi-
dates as follows: H. M. Nelson and
W. E. Winslow of this city and
John M. Sponsel, of Staples. After
the conferring of the degree a banquet
will be served by the ladies of the
Eastern Star. It is expected that a
special coach load of Staples members
of the order and their ladies will
come down to attend the exercises.

The Staples Word says that J. M.
Glunt was at Brainerd Saturday even-
ing in consultation with the citizens'
and Pap Thomas post committees ap-
pointed to make arrangements for the
G. A. R. encampment to be held in this
city June 22, 23, and 24. He says
both committees are putting forth
every effort to make the encampment
a complete success, the citizens' com-
mittee being, if possible, the more
enthusiastic than the G. A. R. boys
themselves.

This afternoon a mass convention
is being held at Sylvan Lake, the
subject being to nominate the candi-
dates for county commissioners for
the newly organized county of Cass
and also to name a set of county offi-
cers which will be submitted to Gov.
Clough and he will be asked to abide
by the action of this meeting and
make his appointments accordingly, but
his dollars to doughnuts that this
convention will not name a majority
of the winners.

The Mill Begins.

The Brainerd Lumber Co's mill
began operations Tuesday morning,
and the loud blasts of the whistle were
joyous sounds to a great many men
who have been waiting for the mill
to resume operations to get work. It
is reported there were enough men
there looking for jobs to run three
mills of that size. Everything ran
smoothly as when the mill closed
down last season, and lumber is being
turned out to us good advantage as
during the middle of the season.
Night work will commence next Mon-
day, when as many men more will be
needed.

A fine assortment of box stationery,
15 cents per box, McFadden Drug Co.

The Jewish Passover.

The Jewish Passover began last
Friday the 16th, and continues until
tomorrow night, a period of eight days.
The period is observed by the Jewish
people both orthodox and reformed.
It is a period when only unleavened
bread is eaten. The first, second and
last days are the principal ones of the
Passover. The significance of the eat-
ing of unleavened bread is found in
their exodus from Egypt had no time
to leaven the dough already in their
troughs. An earlier basis is found
in the religious feasts that occur
at the opening of the harvest season.

Johnson with a beer mug. He ad-
mitted the assault and was fined \$10
or 15 days in jail.

street south, was arrested on Monday
on complaint of Mrs. Julia Anderson,
who occupied rooms in Mr. LaFond's
house, charging him with indecent
assault. Mr. LaFond claimed the
charge to be blackmail, and a scheme
to recover her watch, which he held
as security for room rent. The pre-
liminary examination was held on
Wednesday, and Mr. LaFond was
discharged by Judge Hoffman, who
presided in the absence of Judge
Alderman.

Wm. Staley and Ola Boss, whose
arrest was mentioned last week, had
their preliminary examination before
Judge Alderman in the municipal
court on Monday. Witnesses for the
state were examined showing the
probable guilt of Staley, and also im-
plicating Mr. Boss. No testimony was
offered by the defense, but a motion
was made by attorney Warner for the
defense, asking for the discharge of
the prisoners on the ground that the
alleged offense was committed in Cass
county, and said county had by the
present legislature been detached from
Crow Wing, consequently this court
had no jurisdiction. The motion was
denied and Staley was bound over to
await the action of the grand jury in
the sum of \$250. Ola Boss was re-
leased on his own recognizance, to
appear before the grand jury. Mr.
Staley was released yesterday on a
writ of habeas corpus issued by Judge
Holland, upon application of Attorney
J. H. Warner, on the ground of non-
jurisdiction of the court.

On Tuesday evening a barn at the
logging camp of J. M. Gray, at the
south end of Mille Lacs lake was de-
stroyed by fire, together with four
horses and five sets of harness, all the
property of Mr. Gray.

At St. Paul's church the first Sun-
day after Easter there will be services
at 10:30 a. m. and 7:30 p. m. Sunday
school at 12 o'clock. The choir, un-
der the direction of Mrs. Atherton,
will repeat a portion of the Easter
day music.

The production of Faust at the
opera house on Tuesday evening by
the John Griffith company was superb.
Mr. Griffith appearing as Mephisto.
The play was well mounted, the cost-
uming was fine, and the electrical
effects beautiful. The attendance
was small.

A change of time of morning trains
will occur on the N. P. next Sunday.
No. 1 will leave St. Paul at 4:15 in-
stead of 7 o'clock as at present, and
the train from Duluth will change so
as to connect at Staples with No. 1.
This would bring the Duluth train in
here at about 8 p. m. instead of 10:30.

The saloon of Ed. Cullen, in East
Brainerd, was broken into on Sunday
night last, and goods to the amount
of nearly \$100 was stolen. The burglars
effected an entrance by breaking in
the front door. No money was left in
the building for them to steal, but the
microscopic took as near as Mr. Cullen
can estimate about \$50 worth of cigars
and a large quantity of bottled goods,
as much as they could carry. As there
is no police protection in that part of
the city the thieves pursued their
calling at will, and had they had a
team they could have emptied the
store without being stopped. It
would seem that the East Brainerd
people are entitled to an officer at
night.

& Gray's meat market, only 16 cents

While playing with some other
children this morning a little girl,
daughter of J. W. Anderson, the
Southeast Brainerd grocer, fell and
broke her arm.

Clerk of Court S. H. Parker was
passing the cigars this morning on the
arrival of a fine girl baby at his home
this Friday morning, April 23rd.
Mrs. Parker and the baby are both
reported doing nicely.

Hon. B. F. Hartsborn, representa-
tive from this district, has decided to
locate at Walker, the coming county
seat of Cass. The people of Walker
are to be congratulated upon the ac-
quisition to their social and business
circles of Mr. and Mrs. Hartsborn.

The seventeen year old son of Mr.
Harry St. Clair, a widow lady, who
resides on 5th street near Maple
street, has been missing since last
Sunday. It is feared that the young
man has been drowned in the river.
Mr. St. Clair accidentally killed him-
self last fall, and this second bereave-
ment has nearly crazed the lady.

The Fashion Department in Dem-
orets Magazine for May occupies
nearly twice the usual space, and
abounds with practical information
and the very latest ideas on all topics
relating to woman's and children's
dresses. A Pattern Order published in
each number entitles the holder to
patterns of all the designs at the uni-
form price of four cents each, and this
is an advantage that the frugal woman
cannot afford to overlook.

Brainerd Chapter No. 42, will con-
fer the Royal arch degree to-morrow
night at Masonic Hall on three candi-
dates as follows: H. M. Nelson and
W. E. Winslow of this city and
John M. Sponsel, of Staples. After
the conferring of the degree a banquet
will be served by the ladies of the
Eastern Star. It is expected that a
special coach load of Staples members
of the order and their ladies will
come down to attend the exercises.

The Staples World says that J. M.
Ghent was at Brainerd Saturday even-
ing in consultation with the citizens
and the Thomas past committee ap-
pointed to make arrangements for the
G. A. R. encampment to be held in this
city June 22, 23, and 24. He says
both committees are putting forth
every effort to make the encampment
a complete success, the citizens' com-
mittee being, if possible, the more
enthusiastic than the G. A. R. boys
themselves.

This afternoon a mass convention
is being held at Sylvan Lake, the
subject being to nominate the candi-
dates for county commissioners for
the newly organized county of Cass
and also to name a set of county offi-
cers which will be submitted to Gov.
Clough and he will be asked to abide
by the action of this meeting and
make his appointments accordingly,
but this dollars to doughnuts that this
convention will not name a majority
of the winners.

The Mill Begins.
The Brainerd Lumber Co's mill
began operations Tuesday morning,
and the loud blasts of the whistle were
joyous sounds to a great many men
who have been waiting for the mill
to resume operations to get work. It
is reported there were enough men
there looking for jobs to run three
mills of that size. Everything ran as
smoothly as when the mill closed
down last season, and lumber is being
turned out to as good advantage as
during the middle of the season.
Night work will commence next Mon-
day, when as many men more will be
needed.

The Jewish Passover.
The Jewish Passover began last
Friday the 16th, and continues until
tomorrow night, a period of eight days.
The period is observed by the Jewish
people both orthodox and reformed.
It is a period when only unleavened
bread is eaten. The first, second and
last days are the principal ones of the
Passover. The significance of the eat-
ing of unleavened bread is found in
the tradition that the Jewish people
in their exodus from Egypt had no
time to leaven the dough already in
their troughs. An earlier basis is
found in the religious feast that oc-
curred at the opening of the harvest
season.

son, Mrs. Harry Edwards, the choir,
the Women's Guild, St. Margaret's
Guild, and the Guild of the Good
Shepherd, for their efficient services

unanimously.

ments are being made to make it a
grand success.

Municipal Court Notes.

O. B. Johnson was before the court
on Tuesday for assaulting Martin
Johnson with a beer mug. He ad-
mitted the assault and was fined \$10
or 15 days in jail.

Martha Williams, a colored lady
of easy virtue was before the munici-
pal court on Tuesday, charged with
vagrancy. She pleaded guilty and was
discharged on condition she leaves
the city.

John LaFond, who resides on 6th
street south, was arrested on Monday
on complaint of Mrs. Julia Anderson,
who occupied rooms in Mr. LaFond's
house, charging him with indecent
assault. Mr. LaFond claimed the
charge to be blackmail, and a scheme
to recover her watch, which he held
as security for room rent. The pre-
liminary examination was held on
Wednesday, and Mr. LaFond was
discharged by Judge Hoffman, who
presided in the absence of Judge
Alderman.

Wm. Staley and Ola Bos, whose
arrest was mentioned last week, had
their preliminary examination before
Judge Alderman in the municipal
court on Monday. Witnesses for the
state were examined showing the
probable guilt of Staley, and also im-
peaching Mr. Bos. No testimony was
offered by the defense, but a motion
was made by attorney Warner for the
discharge of the prisoners on the ground that
the alleged offense was committed in Cass
county, and said county had by the
present legislature been detached from
Crow Wing, consequently this court
had no jurisdiction. The motion was
denied and Staley was bound over to
await the action of the grand jury in
the sum of \$250. Ola Bos was re-
leased on his own recognizance, to
appear before the grand jury. Mr.
Staley was released yesterday on a
writ of habeas corpus issued by Judge
Holland, upon application of Attorney
J. H. Warner, on the ground of non-
jurisdiction of the court.

A Fine Market.
Benson & Gray have rented the store
room formerly occupied by Walter's
shoe store next to the corner of Sixth
and Front streets and will move their
meat market business there next week.
An entirely new set of red oak fixtures
have been ordered. The most elaborate
pattern, and the firm is resolved
that if fine and comfortable quarters,
a clean and tasty market, first class
goods, and kind and courteous treat-
ment will bring trade, they expect to
have their share. When finished it
will probably be the finest market in
the northwest.

Lost a Foot.
Fred Engle, formerly of this city,
but for the past three years employed
by the N. P., at Livingston, Mont.,
as a brakeman, was brought to the
Sanitarium on Wednesday with his
foot so badly crushed that amputation
at the ankle was necessary. Mr.
Engle, it seems, was engaged in coup-
ling cars, when the accident occurred.
The coupler stuck fast and Mr. Engle
gave it a kick with his foot to loosen
it, but his foot was caught in the
coupler, and before he could release
himself the approaching car which he
was to couple on struck the coupler
and crushed the foot. The unfortu-
nate man's people all live here, who,
with his many friends will sympathize
with him in his unfortunate accident.

Course of Entertainments.
The Y. M. C. A. has made arrange-
ments with the Stayton Lyceum
Bureau, of Chicago, for a course of
three entertainments to be given as
follows:

May 13th, at Congregational church
—The Stanley Grand Concert Co.
(Ladies' Quartette and Maud V. Ca-
therton, reader.)

and impersonator.

Equimaux, lecturer and story teller.

dollar. Single admissions 50 cents.
The above entertainments are all
heralded by the press and public, as
very fine, and should receive liberal
patronage.

The Stanley Concert Co. has ap-
peared three times in the Philadelphia
Y. M. C. A. star entertainment
courses, where no other company have
ever been called the second time.
This speaks volumes for the merits of
both sessions.

The production of Faust at the
opera house on Tuesday evening by
the John Griffith company was superb.

A change of time of morning trains
will occur on the N. P. next Sunday.
No. 1 will leave St. Paul at 4:15
instead of 7 o'clock as at present, and
the train from Duluth will change so
as to connect at Staples with No. 1.
This would bring the Duluth train in
here at about 8 p. m. instead of 10:30.

The saloon of Ed. Cullen, in East
Brainerd, was broken into on Sunday
night last, and goods to the amount
of nearly \$100 was stolen. The burglars
effected an entrance by breaking in
the front door. No money was left in
the building for them to steal, but the
miscellaneous took as near as Mr. Cullen
can estimate about \$50 worth of cigars
and a large quantity of bottled goods,
as much as they could carry. As there
is no police protection in that part of
the city the thieves pursued their
calling at will, and had they had a
team they could have emptied the
store without being stopped. It
would seem that the East Brainerd
people are entitled to an officer at
night.

The seventeen year old son of Mrs.
Harry St. Clair, a widow lady, who
resides on 5th street near Maple
street, has been missing since last
Sunday. It is feared that the young
man has been drowned in the river.
Mr. St. Clair accidentally killed him-
self last fall, and this second bereave-
ment has nearly crazed the lady.

The Fashion Department in Dem-
ocrats Magazine for May occupies
nearly twice the usual space, and
abounds with practical information
and the very latest ideas on all topics
relating to woman's and children's
dress. A Pattern Order published in
each number entitles the holder to
patterns of all the designs at the uni-
form price of four cents each, and this
is an advantage that the frugal woman
cannot afford to overlook.

Brainerd Chapter No. 42, will con-
fer the Royal arch degree to-morrow

the conferring of the degree a banquet

Eastern Star. It is expected that a
special coach load of Staples members
of the order and their ladies will

The Staples World says that J. M.
Gibbs was at Brainerd Saturday even-
ing in consultation with the citizens'
and Pap Thomas post committees ap-
pointed to make arrangements for the
G. A. R. encampment to be held in this
city June 22, 23, and 24. He says
both committees are putting forth
every effort to make the encampment
a complete success, the citizens' com-
mittee being, if possible, the more
enthusiastic than the G. A. R. boys
themselves.

This afternoon a mass convention
is being held at Sylvan Lake, the

dates for county commissioners for
the newly organized county of Cass
and also to name a set of county

make his appointments accordingly, but
his dollars to tonight that this
convention will not name a majority
of the winners.

The Mill Begins.

The Brainerd Lumber Co's mill
began operations Tuesday morning,
and the loud blasts of the whistle were
joyous sounds to a great many men
who have been waiting for the mill
to resume operations to get work. It
is reported there were enough men
there looking for jobs to run three
mills of that size. Everything ran as
smoothly as when the mill closed
down last season, and lumber is being
turned out to its good advantage as
during the middle of the season.
Night work will commence next Mon-
day, when as many men more will be
needed.

A fine assortment of box stationery,

The Jewish Passover.

The Jewish Passover began last
Friday the 16th, and continues until
tomorrow night, a period of eight days.
The period is observed by the Jewish
people both orthodox and reformed.
It is a period when only unleavened
bread is eaten. The first, second and
last days are the principal ones of the
Passover. The significance of the eat-
ing of unleavened bread is found in
the tradition that the Jewish people
in their exodus from Egypt had no
time to leaven the dough already in
their troughs. An earlier basis is
found in the religious feasts that oc-
curred at the opening of the harvest
season.

on Tuesday for assaulting Martin
Johnson with a beer mug. He ad-
mitted the assault and was fined \$10
or 15 days in jail.

of easy virtue was before the mun-

John LaFond, who resides on 6th
street south, was arrested on Monday
on complaint of Mrs. Julia Anderson,
who occupied rooms in Mr. LaFond's
house, charging him with indecent
assault. Mr. LaFond claimed the
charge to be blackmail, and a scheme
to recover her watch, which he held
as security for room rent. The pre-
liminary examination was held on
Wednesday, and Mr. LaFond was
discharged by Judge Hoffman, who
presided in the absence of Judge
Alderman.

Wm. Staley and Ola Boss, whose
arrest was mentioned last week, had
their preliminary examination before
Judge Alderman in the municipal
court on Monday. Witnesses for the
state were examined showing the
probable guilt of Staley, and also im-
peaching Mr. Boss. No testimony was
offered by the defense, but a motion
was made by attorney Warner for the
discharge of the prisoners on the ground
that the alleged offense was committed in Cass
county, and said county had by the
present legislature been detached from
Crow Wing, consequently this court
had no jurisdiction. The motion was
denied and Staley was bound over to
await the action of the grand jury in
the sum of \$250. Ola Boss was re-
leased on his own recognizance, to
appear before the grand jury. Mr.
Staley was released yesterday on a
writ of habeas corpus issued by Judge
Holland, upon application of attorney
J. H. Warner, on the ground of non-
jurisdiction of the court.

will probably be the finest market in
the northwest.
